

ELECTION OF SPECIES AND REMARKS

Applicant elects to continue prosecution of invention I, directed to the apparatus, as identified by claims 1-17 in the application as filed. This election is made without traverse.

By amendment, claims 1-15 and 18-20 have been cancelled. Claim 16 has been rewritten into independent form. Claim 16 also sets forth the description of the plastic extends as a pot shaped housing wall of the housing. Support is found in Fig. 3, as described in the first paragraph of page 7 (paragraph [0023]). It is respectfully submitted that the above amendments introduce no new matter within the meaning of 35 U.S.C. §132.

CONCLUSION

In view of the preceding election, the Applicants respectfully request the Examiner to conduct a first substantive examination of the application, and further prosecution of the application is respectfully requested. The Examiner is invited to call the undersigned if it is believed that it will expedite the prosecution of the application.

Respectfully submitted,
